*College Opportunity Fund (COF) is a state stipend to reduce Colorado tuition by \$116 per credit hour. This may adjust in the 2023/24 academic year and is set by the State of Colorado. To receive the COF stipend, you MUST be a Colorado Resident, complete the COF application at <https://cof.college-assist.org> and then authorize COF in the myUCCS portal.

**Includes one time fees of \$140: Matriculation Fee, Student ID Fee, and Orientation Fee.

*** Textbook Affordability and Access Program (TAAP) - Service Fee - \$23.80 per credit hour (including tax). This fee is assessed to all students who have not officially opted-out of the Textbook Affordability and Access Program. This fee is used to cover course textbooks and materials costs. For more information on the TAAP program, please visit: <https://www.uccs.edu/taap>

****Housing charge shown is the average cost with meal plan included. Housing rates will increase or decrease depending on the room selected.

Undergraduate lower division (freshman/sophomore) tuition rates are discounted. When you become a junior (60+ credit hours) your tuition rate will increase. Please review the undergraduate upper division (junior/senior) tuition rates for the college/program in which you are enrolled.
